Font Software License Agreement

Last updated: 12/12/2025

This Font Software License Agreement (“Agreement”) is a legal agreement between you (either an individual or a single legal entity) and **Brian Behm Creative** (“Licensor”) for the use of the font software identified below (“Font Software”).

By downloading, installing, or using the Font Software, you agree to be bound by the terms of this Agreement.

Plain-English License Summary

You can use these fonts for personal and commercial projects, including client work, branding, print, web, and products for sale.

You can install the fonts on your own computers and use them in finished designs, artwork, and media.

You may **not** resell, share, give away, sublicense, or redistribute the font files themselves, either for free or for sale.

That’s it.

---

1. Grant of License

Brian Behm Creative grants you a **non-exclusive, non-transferable, revocable license** to use the Font Software under the terms outlined in this Agreement.

This license permits use of the Font Software for **personal and commercial projects**, subject to the limitations below.

---
